Subscribe to Notifications

APFS

Create a subscription to receive an email when APFS records that meet your criteria are published.

1. Coordinate with your email administrator to create an email account that you can access. The address must use the following naming convention: **apfsxxxx@companydomain.com**
   a . The email address must begin with "apfs".
   b. It may include any number of additional alphanumeric characters after "apfs."
   c. If the email address does not meet this naming convention, you will be unable to register.
2. Enter the email address and press the "Send Verification Email" button.
3. Open the verification email from APFS and follow the instructions to set your notification preferences.

Note: You may need to coordinate with your email administrator to ensure messages from **APFS-noreply@hq.dhs.gov** are not blocked or routed to spam.

The contact information provided in connection with these opportunities is intended solely for purposes related to the referenced project.
