

CHRIS HAMM - FEDSIM Director

Chris Hamm is the Director for GSA FEDSIM where he oversees information technology and professional service contracts worth \$7 billion. Mr. Hamm has over 15 years of experience in managing complex acquisitions and project delivery. He is a frequent speaker at conferences and panels on subjects including performance-based contracting, information technology service level agreements, and agile acquisition. He has been recognized as one of the "FED100" by Federal Computer Week and was Government Chair for the 2013 ACT IAC Partners Program.
