

### **ERIN QUICK - FEDSIM Acquisition Quality Director**

Erin Quick serves as FEDSIM's Acquisition Quality Director where she is responsible for managing FEDSIM's team of Acquisition Project Managers who lead pre-award activities across FEDSIM. Erin previously served as an Acquisition Project Manager and was stationed in Stuttgart, Germany from 2016 until October 2020 directly supporting the U.S. Africa and European Commands and their components. While in Germany, Erin was instrumental in growing FEDSIM's opportunities with Department of Defense (DoD) clients across Europe and Africa.

Erin has been with GSA since 2009 and with FEDSIM since 2012. In addition to serving as an Acquisition Project Manager, she previously served as a Project Manager/Contracting Officer's Representative and as a Contract Specialist. Erin earned her Bachelor's degree from Wake Forest University in 2009.
