

Jim Ghiloni, Group Manager, IDIQ Labs/Innovation Sector, GSA

Jim Ghiloni is a Group Manager within GSA's Innovation Sector at FEDSIM where he heads the IDIQ Labs. Previously, Mr. Ghiloni served as the the Professional Services Program Management Executive within the Federal Acquisition Service (FAS), where he was responsible for overseeing GSA's Professional Services programs. Prior to this role, Mr. Ghiloni was the Director of the OASIS Program Management Office, where he oversaw the program. Mr. Ghiloni held several other positions within the agency, including Director of Business Operations for the Assisted Acquisition Service and Deputy Office Director for the GWAC Program. He also acted as an Alliant Program Manager, where he was responsible for overseeing both the Alliant and Alliant Small Business vehicles. Mr. Ghiloni began his career with GSA over twenty years ago as a Senior Project Manager within FEDSIM.
