

KARI SANTORO - Region 3 Director

Kari Santoro is the AAS Director for Region 3 (Mid-Atlantic). For nearly twenty years, Ms. Santoro has delivered high-impact acquisition solutions for IT and professional services from inception to completion. In her role as Director, she works with a team of specialists and the Director of the Acquisition Operations Division in support of multiple programs for the Department of Defense, defense agencies, and civilian agencies. Kari oversees 110 active orders with an aggregate ceiling of \$4.16 Billion and total funded value of \$1.93 billion at over 44 client organizations. In addition to GSA Region 3 and FEDSIM, Ms. Santoro's career has included time with the FAA and TSA-OLE/FAMS contracting offices as well as developing contracts, designs, plans and specifications for engineering & infrastructure improvement projects for the USAF and the private sector.
